

UNIVERSAL NOZZLE REPLACEMENTS

- Installs into existing bodies
- No reaming required
- Improved cleaning
- Improved hydraulics
- Matches original colors

Replaces:

CareTaker threaded, CareTaker 99, A&A QuikClean 1, A&A QuikClean 2, A&A Gamma 3, Net'N'Clean, Pool Valet

VARIABLE ROTATING JET

- Ideal for hard to reach areas, beach entries, water basins and lazy rivers
- Ability to aim and set the cleaning angle
- The oscillating, sweeping action directs debris to the main drain
- 16 Individual cleaning positions for cleaning angles from 22.5° To 360°
- Limited lifetime warranty

RATCHETING WALL JETS

- Clean safety ledges, steps, benches, around swim up barstools and corners
- Adjustable 90° sweep pattern
- Fits standard 1 1/2" threads
- Available in colors to complement any pool surface
- For concrete, vinyl and fiberglass pools

SPA AIR PRODUCTION SYSTEM

- A quieter spa experience
- Reduces noise normally created by air intake line
- Perfect in the decks of raised spas
- Requires less plumbing and eliminates the need for air intake pipe far from spa
- Easy to install
- Available in three colors to blend with any deck

Pool life. *Simplified.*

Since applying for our first patent in 1967, Paramount has been a leader in pool technologies. Easy to use UV and Ozone sanitization systems, best in industry debris canisters, high-efficiency safety drains, energy efficient LEDs lighting and venturi skimmer technology. Plus our innovative in-floor cleaning and circulation systems; delivering superior results, while paying for themselves over the lifetime of a pool. Everything we create, engineer, design and build is for that single goal - a simplified pool life.

The patents keep adding up, too. (73 so far)

All Paramount products are made in America and designed to make a pool experience the most carefree and enjoyable experience possible. "Our driving passion is creating innovative products and services that simplify pool life"

A HAYWARD Company

PARAMOUNT - PRODUCT LINE

SIMPLIFYING POOL LIFE,
ONE INNOVATION AT A TIME.

INNOVATIVE PRODUCTS
FROM THE WORLD'S
#1 IN-FLOOR CLEANING
SYSTEMS COMPANY

Concrete Pools

Vinyl Pools

Fiberglass Pools

- Unsecured, No Equity and Secured lender programs
- Free service (no 3rd party fees) to pool customers working with an authorized Paramount Pool dealer
- Fixed Rates
- No prepayment penalties
- Additional cash out lender programs
- New Pool Construction, Remodel, Spa, Landscape, Hardscape and more
- Loan amounts from \$1,000 to \$200,000
- Multiple lenders nationwide providing options and flexibility for your customers
- Find A Builder Lead Generation program

UV WATER SANITIZER

UltraUV₂
ULTIMATE UV WATER SANITIZER

- UV light immediately inactivates 99.9% of micro-organisms and algae which are resistant to chlorine
- Save on chemical costs
- 120V or 230V with models to accommodate most flow rates
- 13,000 operating hours effective lifespan UV-C lamps
- Multi-directional piping connections with unions

Combine Eco-Friendly Ozone and UV for advanced oxidation

OZONE WATER SANITIZER

ClearO₃
OZONE PURE WATER

UltraClear
POWERFUL COMBINATION OF ULTRAVIOLET LIGHT AND OZONE

- Continuously "shocks" pool water to reduce the build-up of oils, grease and other organic substances that can clog filters
- Save up to 60% on chemical costs
- Chlorine usage is reduced
- Produces no harmful by-products
- Includes combination flow meter/needle valve
- Effective up to 55,000 gallons

LARGE CAPACITY DEBRIS CANISTER

DDC₂
DECK DEBRIS CANISTER

- Located pool side for convenient access providing quick and easy debris removal
- Large capacity basket holds 300% more debris than most pump baskets
- Fine mesh bag included
- Pre-filters large debris to keep the circulation pump free and clear of debris that could restrict water flow
- 2" suction cleaner port
- Shown with optional MVFuse Safety Vacuum Release System

COMBINATION UV & OZONE WATER SANITIZER

HYDRAPURE
CLEAN WATER • SIMPLIFIED

COMING 2019

- Separate UV and Ozone Generating Chambers
- 1+1=3 Combining UV and Ozone forms Hydroxyl Radicals, creating an Advanced Oxidizing Process (AOP) for cleaner and safer water
- Bonnet can be oriented in four positions for installation flexibility
- Includes 2 2.5" PVC unions
- Weather resistant Rotomolded enclosure
- Utilizes flow-sensing technology
- Easy winterization w/ plug in base

LARGE CAPACITY DEBRIS CANISTER

EDC
EQUIPMENT DEBRIS CANISTER

- Located at the equipment pad
- Plumbed after the suction header to trap debris before it reaches the pump and filter
- Extra large capacity debris basket holds up to 68% more than any other equipment side debris canister
- Fine mesh bag included
- Ports for plumbing in optional Clear O3 water sanitizer or vacuum gauge

VENTURI-POWERED SKIMMER

PARASKIMV
VENTURI ENHANCED SKIMMER

- Effective skimming at low pump speeds
- Notched weir door design for better flow at lower pump speeds
- Largest debris basket on the market
- Fine mesh bag included
- Interior vacuum relief and return guard cover provide additional layers of safety
- For concrete, vinyl and fiberglass pools
- Also available as non-venturi skimmer

PARASKIM
SKIMMER TECHNOLOGY

ANTI-ENTRAPMENT DEBRIS DRAIN

MDX_{R3}
VGB COMPLIANT DEBRIS DRAIN

- Quickly removes leaves and large debris
- 132 gpm maximum system flow rate at under 1.5 fps
- 2" port to accommodate a hydrostatic valve
- Unique design is resistant to plugging
- For concrete, vinyl and fiberglass pools
- VGB Compliant
- Available in colors to complement any pool surface

ANTI-ENTRAPMENT DRAIN

SDX₂
HIGH FLOW SAFETY DRAIN

- No sump required
- 188 gpm on floor / 154 gpm on walls at under 1.5 fps
- SDX2 Retro replaces existing covers up to 10" in diameter
- For concrete, vinyl and fiberglass pools
- VGB & NSF/ANSI 50 Compliant
- Available in colors to complement any pool surface

ANTI-ENTRAPMENT DRAIN

BUZZTOP
CHANNEL DRAIN

- "Unblockable" channel drain which also accepts debris
- For single or multiple drain use
- Manufactured from superior UV-resistant engineered polymers
- VGB & NSF/ANSI 50 Compliant

- Single drain flow rates for floor/wall: 120 gpm at 1.19 fps
- For concrete and vinyl pools
- Available in colors to complement any pool surface

FLUSH MOUNT DRAIN

Superflow₃₆₀
Color Match Drain

- Flush with floor means no pool cleaner hang ups
- Outstanding 360 gpm flow rate
- Hydrostatic relief valve port
- Commercial and residential use
- Slurry pump fits inside the sump

- Fits 4" socket / fitting
- VGB & NSF/ANSI 50 Compliant
- Patent #'s 6,209,586 / 6,340,035 / 6,557,588 and other patents pending

INTERCHANGEABLE SPA JETS

ParaJets

- Deep Tissue, Shiatsu, Pulsating or Soft Stream Jets
- All interchangeable in one universal housing
- Simple tool allows on the spot jet swapping
- Available in white, black, dark grey, light grey and tan

BRIGHT ENERGY-EFFICIENT LEDs

PARAGLO
BRILLIANCE OF LED

- Long life LED Ceramic Light Engine
- Available in 6" & 3"
- IPX8 tested & approved; the highest waterproof rating attainable
- Innovative plug in cable connections
- White, blue or multi-color variants
- Fully serviceable & easy winterization
- For concrete, vinyl and fiberglass pools
- Compatible with Hayward, Pentair & Zodiac controllers.

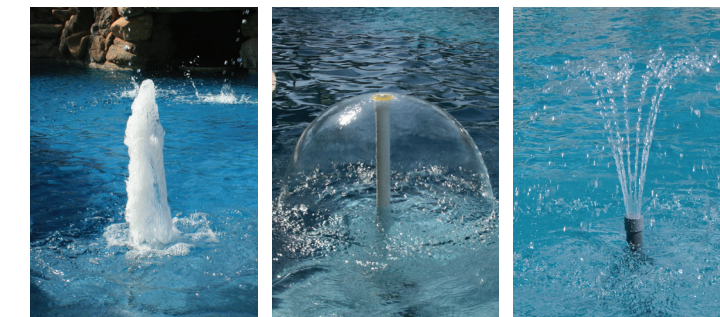

WATER FEATURES

airbar

- Create exciting aerated feature on a bench or shelf
- Make custom shapes or ready to go kits available
- Available in white and grey, installs virtually invisible

WATER FEATURES

PARASCOPE
TELESCOPING WATER FEATURE

Mini Bubbler also available

- Perfect for submerged fountains in tanning ledges, benches & spas
- Retracts flush with the pool or spa floor when not operating
- 3 fountains in 1

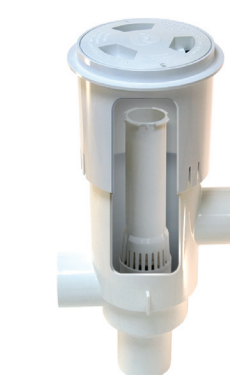

AUTOMATIC WATER LEVELER

PARALEVEL
AUTOMATIC WATER LEVELER

- Large balance line
- Easy, accurate "posi-click" adjustment
- Service-industry friendly
- Overflow line ready
- Smaller footprint in deck
- Quick-fill capable
- "Smart-sensing" not affected by water splashing
- Accommodates both paver and cantilever decks

SAFETY VACUUM RELEASE SYSTEM

MVFUSE
MAGNETIC VACUUM RELEASE

- Rapid response suction relief
- Practical deck side location = "close proximity" to the suction fitting
- In canister, retro & in-deck version available
- Magnetic reliability
- Unaffected by the friction loss of plumbing runs and fittings
- Listed SVRS
