

PARASKIM SKIMMER

SOMETIMES WHAT YOU CAN'T SEE
MAKES A DIFFERENCE YOU CAN FEEL.

PARASKIM[®]
SKIMMER TECHNOLOGY

HIGH-PERFORMANCE FEATURES NO OTHER SKIMMER CAN MATCH

1 WEIR DOOR DESIGN

- Notched design for better flow at lower pump speeds
- Less potential for debris to become trapped

2 DEBRIS BASKET

- Largest on the market means less maintenance
- Optional fine mesh bag for fine debris removal

3 INTEGRATED SAFETY FEATURES

- Interior vacuum relief protects basket from breakage
- High relief point less likely to become blocked

4 DECK LID

- Allows for full-open inside skimmer throat
- Works with Pour-A-Lid™ and paver decks

5 OVERFLOW PORT

- Largest on the market
(1 1/2" or 2" vs. competitions 3/4" to 1")
- Optional use in high storm regions

Deck lid & ring available in white, beige or light grey.
Skimmer available in white or grey, and also available
without deck ring & lid.
