

BUZZTOP UNBLOCKABLE CHANNEL DRAIN

THE UNBLOCKABLE DRAIN
THAT'S ONE OF A KIND.

BUZZTOP
CHANNEL DRAIN

DEBRIS REMOVAL CHANNEL DRAIN FOR NEW OR EXISTING POOLS

BUZZTOP

C H A N N E L D R A I N

Paramount's BUZZTOP channel drain is one of a kind. The solid top creates better velocity around the opening for superior debris removal making it one of the best unblockable drains available. The BUZZTOP can replace non-compliant drains in existing swimming pools that need the ability to remove debris. This drain meets the unblockable classification which allows it to easily replace single or dual drains found in older, non-compliant pools. It must be installed with its own sump.
